October to March

The Mill

ADVENTURE BASE

Take the hassle out of arranging adventurous activities.

The Mill Adventure Base provides in-school activity days, tailored to your specific needs, including qualified instructors, no transport costs and excellent value for money.

Great for schools with a large number of pupils.

Climbing

Our mobile climbing wall brings the exhilaration of the rock face to your place for fun, confidence and team work.

Cycling

Bikes and ramps develop confidence and balance. Pupils can achieve a nationally accredited award.

Team building/problem solving

A great way to improve communication, problem solving and leadership skills.

Archery

Fun, inclusive and challenging, pupils get a strong sense of personal achievement as skills and scores improve.

Suitable for Year 3 +
