

Kit List

Clothing should be warm and comfortable and suitable for the time of year:

- In winter warm socks, hats and gloves are essential
- In summer a sun hat and sun cream are essential

SOCKS, SOCKS, SOCKS

PLEASE send your child with at least ONE PAIR of thick, HIGH ankle walking SOCKS.

Walking boots are provided and suitable socks will avoid blisters and ensure your child has an enjoyable experience on the walks. (Low ankle and thin socks will increase the risk of the boots rubbing and causing blisters and this style of sock has become the norm).

Good quality waterproof jacket and trousers, walking boots, wellingtons and rucksacks are available at the centre for all pupils and staff. Parents do not need to buy these items, but you are welcome to pack them if you have them.

Please remember that your child will be outside in all weather, so make sure they have enough warm and spare clothing as their clothing may become wet and muddy. Please try and name your child's clothing.
